  • More to come... keep an eye on https://www.ehpa.org/

“Heat Pumps in new and renovated buildings”, 01st October 2020
Heat Pump City of the Year award

Since 2011, we have collected more than 150 applications from 110 different cities.

Award the most efficient, smart and sustainable Heat Pump projects at local level.

Aim at collecting best practice examples of Heat Pumps to present to EU authorities.

4 awarding categories:
- HPCY
- DecarBuilding
- DecarbIndustry
- Next Generation Heat Pump
