

Buy a Market Report (for non-EHPA members)

At EHPA we are constantly trying to improve your user experience.

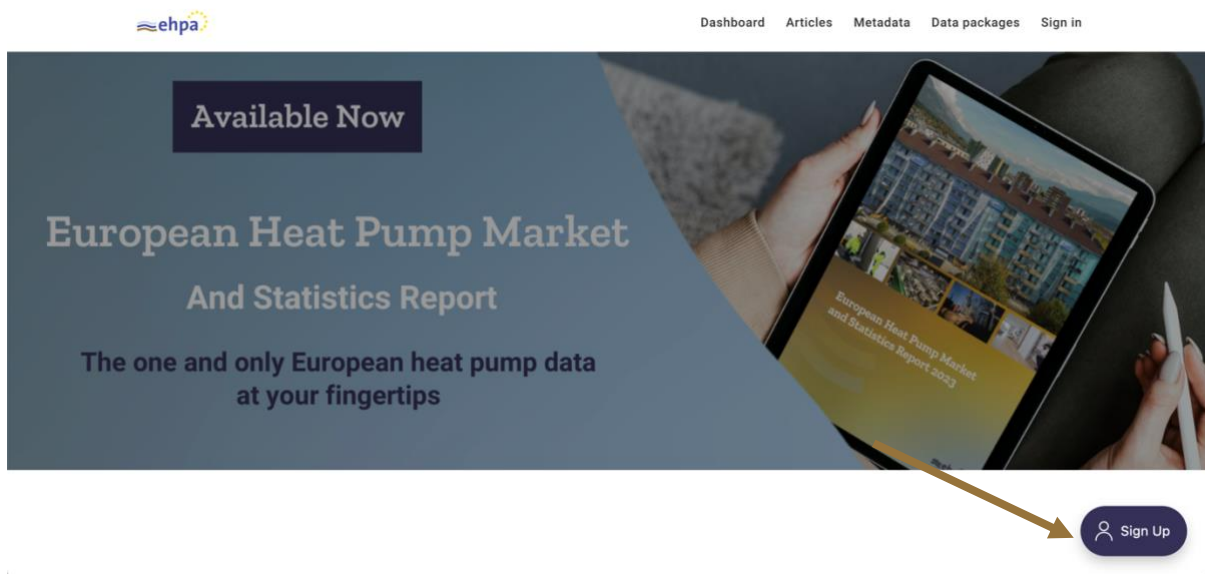

For this 2023 edition, we have set up a new system to get our latest market report.

This is a how-to guide for you to easily access it.

Furthermore, when signing up to the platform, you will now have access to both, the 2023 Market Report and the Statistics. This means you will have everything on one platform.

Steps:

- 1) Firstly, you need to go on our website <http://stats.ehpa.org/>
- 2) Once you are there, you click on “Sign Up”

- 3) Afterwards, you will get to this page where you need to fill in your name and email address and click on “Sign up”. (Please note that it is to this email and contact person that the access will be given).
