

# Access the Market Reports through the Extranet

## Steps:

- 1) Log in the extranet portal: <https://ehpa.symantra.eu/>. If you do not remember your password, please click on “Retrieve password” to generate a new password (a link will be sent to your email address)

- 2) Click on “Resources”

- 3) Click on “Statistics” and then you will have access to all the versions available for our market reports, with a possibility to download them or copy and share the dedicated link

The screenshot shows the EHPA website's 'Resources' section. At the top, there is a navigation bar with the EHPA logo, a home icon, 'Working groups', and a list of menu items: Group Structure, Events, Data Stories, NewsRoom, Resources (highlighted), Newsletters, Calendar, Directory, Polls, Channels, and a profile icon 'AP'. Below the navigation bar, the 'Resources' title is displayed. A 'Filter by' section on the left contains a dropdown menu with 'Statistics' selected and circled in orange. Below this menu, a list of market reports is shown, with the '2008 - 2018 Market Report Editions', '2019 Market Report', '2020 Market Report', and '2021 Market Report' items circled in orange. The '2022 Market Report' is highlighted in blue. To the right, a search bar shows 'Found 920 results' and 'Sort by: Date'. A search result for '2022 Heat Pump Market Report VF.pdf' is displayed, featuring a thumbnail image of the report cover, the title, the date '19 06 2023', and a 'Download' button circled in orange.
